

# Clinician Positions Available at Advantage Behavioral Health Systems' Behavioral Health Crisis Center

Advantage is looking for clinicians to work in our Behavioral Health Crisis Center, located at the Advantage Pavilion for Behavioral Health in Athens, GA. We are seeking master's level license-eligible, associate-licensed, and fully licensed staff. The Behavioral Health Crisis Center serves adults experiencing mental health crises and/or in need of detoxification from substances and includes the following:

**Crisis Walk-In Center:** Open 24/7, clinicians in the Crisis Walk-in Center complete assessments on individuals walking into the center in crisis, and based on those assessments arrange for follow-up care or admission to Temporary Observation, Crisis Stabilization, and hospitals.

**Temporary Observation Unit:** An 8 bed facility-based program that provides a physically secure and medically safe environment to further assess, stabilize, and refer clients to the next appropriate level of care.

**Crisis Stabilization Unit:** A 30-bed, short-term crisis residential unit providing treatment to adults experiencing mental health crisis or who are in need of withdrawal management from substances.

---

## POSITIONS AVAILABLE:

**Crisis Walk-In Center/Temporary Observation Unit:** Clinical staff complete assessments on individuals walking into the center in crisis, and based on those assessments arrange for follow-up care or admission to Temporary Observation, Crisis Stabilization and hospitals. Additionally, clinicians assist with assessment, treatment planning, and safety planning of adults on the Temporary Observation Unit.

**Shifts:**

- Saturday and Sunday 7PM-7AM
- Monday-Friday 3PM-11:30PM

**Crisis Stabilization Unit (CSU):**

Clinical staff will complete Behavioral Health Assessments, individual and group counseling, and discharge planning for adults in mental health crisis or needing withdrawal management from substances.

**Shifts:**

- Monday-Friday 7AM-3:30PM
- Monday-Friday 1PM-9:30PM
- Saturday and Sunday 10AM-6PM

---

## QUALIFICATIONS:

**Minimum Qualifications:** Master's Degree in Psychology, Social Work, or Counseling AND be eligible for licensure as and LPC, LCSW, LMFT, or Psychologist.

**Preferred Qualifications:** Experience in crisis evaluation and de-escalation techniques; at least one year of related experience in behavioral health working directly with clients.

---

## BENEFITS:

For full-time employment, benefits include:

- Paid Time Off
- Options for health, dental, vision, and other benefits
- 401k match
- Free clinical supervision toward licensure
- Free in-house Continuing Education Training Units (CEUs) to maintain your licensure
- Supplemental pay for working at the BHCC
- Shift differential for evening shifts and weekends

We are open to hourly, part-time, and full-time. If interested, contact Julie Cox at [jcox@advantagebhs.org](mailto:jcox@advantagebhs.org).
