

<b>Job Title:</b> Registered Nurse		<b>Unit:</b> Assertive Community Treatment (ACT)
<b>Status:</b> Full-time		<b>Location of Position:</b> Athens and surrounding area
<b>Posting Date:</b> July 14, 2020	<b>Application Deadline Date:</b> Opened Until Filled	<b>Job Code:</b> HCT031

### Registered Nurse

**Key Duties and Responsibilities:** Provides healthcare services with community based ACT Team. Under general supervision, provides direct, technical nursing care functions in accordance with individual nursing care plans and/or as directed by attending physician/clinician.

- Provides initial and ongoing nursing assessments. Assures treatment planning, discharge planning, and orders for service are determined and completed with second signatures (if needed).
- Monitors medication response, side effects and adverse effects of medications.
- Takes vital signs, administers medications, and calls in prescriptions ordered by physicians as needed.
- Administers injectable medication to patients as ordered and indicated.
- Orders lab work per protocol, performs lab draws, uses CLIA-waived lab equipment for in-house lab work, and obtains lab results from commercial labs;
- Assists with referral process as needed or indicated for variations in metabolic indices. Advises clients on health maintenance and maintains appropriate documentation.
- **This position is 100% community based**

**Minimum Qualifications:** A current Georgia license to practice as a registered nurse.

**Preferred Qualifications:** A current Georgia license to practice as a registered nurse AND 2 years' experience working in a behavioral health environment.

**TO APPLY**

Applications must be received by the deadline date to be considered. Apply for the available position by submitting your resume to [recruiter@advantagebhs.org](mailto:recruiter@advantagebhs.org). Once your resume is considered, you will be asked to complete the State Application.
